Scene	Result	Situation
131	Safe	You have ridden safely giving priority to a crossing pedestrian. Ride slowly paying sufficient attention to a crossing pedestrian who is liable to fail to notice you.
132	Safe	You have ridden safely with respect to a vehicle pulling out from a side road. Always check the safety when crossing in the blind spot of a parking vehicle.
133	Caution	You have closed to within 2.5 meters of a vehicle having stopped suddenly at a destination requiring a left turn. Ride very slowly when turning left or right at a blind corner/crossing.
134	Caution	You have closed to within 3 meters of a vehicle running in the opposite direction and trying to turn to the right. Sufficiently slow down your speed at a crossing having many blind spots and confirm the safety before continuing.
135	Caution	Did you notice the approaching two-wheeled vehicle driving in the opposite direction and coming out from behind a truck? Recognize the presence of a side passing vehicle and confirm the safety before turning.
136	Caution	You have closed to within 1 meter to an open door of a stopped truck. Stop behind the truck and then start after the vehicles running in the opposite direction pass.
137	Accident	A crash accident with a vehicle/pedestrian has occurred.
138	Caution	You have ridden at 74 km/h on a road whose speed limit is 40 km/h. Ride at a moderate speed paying attention to dangers around you.
